Jump Jam Competition	TBC (auditions held)	TBC	June	May be some basic costume requirements	TBC	Ann Stevenson

PARTICIPATION

Participation in cultural events is restricted in some events, to some year groups. These limitations are usually reflective of limits put in place by external organising groups. Access to cultural events reflects equity, child interest and in some cases child capability.

COMMUNICATION

Communication with parents ensures that key events and details are clearly detailed. Please respond promptly to any notices received.

ADULT HELP

As these are optional extra-curricular activities, we often need adult helpers at and before events to assist with transport, costuming and supervision. Notices will be sent out near to key events regarding extra help needed.

PRACTICES

Practices for these activities generally take place during school time. Practice days and times will be confirmed at the time of registration.
