NOTICES

Notices for winter sports will come out mid-late Term 1.

COACHES

We rely on volunteers to coach our many sports teams. If you can help with coaching a team, or if you know someone who would be interested, please let the coordinator know. We are most appreciative of the time and/or skills coaches give to our school sports teams.

PRACTICES

Individual coaches arrange practices once teams have been confirmed and are usually held at school either during lunchtimes or after school. As our coaches are all volunteers, practices are held if and when convenient for the team coach.

SPORTS CODES

From time-to-time additional sports codes are available to children. The availability of sports codes beyond those listed above is heavily dependent on parent enthusiasm and commitment. Any parent interested in coaching a team in an alternative sporting code is asked to make contact with one of our sports coordinators to discuss options and code requirements.
